

What do you see?vivid Colorful traditional patterns

How have they used the colours? Green, dark green, light green, pink, purple, magenta, cyan, and gold

Why might this link to Matariki?id say that the patterns represent matariki or it has the same patterns on a toku necklace (toku necklaces are connected to the star pohutukawa)

Who do you think would enjoy this art and why? Id say that maori people and the stars of matariki would love this.

Where might you display this art once you have finished? On the walls.

When will you get this art done by?probably by tomorrow because of all the coloring and sketching out
